

# **Student´s Day**

## **Aveiro, 16<sup>th</sup> november 2016**

### **Presentation guidelines**

- 1. Use the template provided to explain in 3 minutes, which are your main research objectives, and how you plan to achieve them.**
- 2. The template contains 10 slides, which were set to advance automatically after 18 seconds. Do not change the number of slides nor the Advance slide option.**
- 3. The slides are blank. You are completely free to insert whatever information you want, in whatever format you think is appropriate.**
- 4. HOWEVER:**
  - The first slide should contain the Do\*Mar banner and the reference to the Do\*Mar Student´s Day 2016. Do not delete these elements (but you can change their positions and resize them).**
  - The first slide should also contain:**
    - The title of your Ph D research project**
    - Your name and affiliation**
    - The names and affiliations of your supervisors**
